The improved principle of the Keys, obviates any rattling noise, [illegible]nders the Tone more firm & brilliant, & prevents their going out of Order.

The Shakes in the minor modes are made perfect, by the extra Keys (S[illegible]zani's Instructions 3rd Edition)

The New Patent Regulating Embouchure, will be found of the gr[illegible]t afsistance to beginners, & those who experience a difficulty in producing the lower Notes, [illegible] keeps the Lips in a proper position, & prevents them from Covering the Embouchure t[illegible]ch.
